Amended Advice Letter No. 865

Public Utilities Commission of the State of Colorado  
1560 Broadway  
Suite 250  
Denver, CO 80202

The accompanying tariff sheet issued by Black Hills Colorado Electric, LLC d/b/a Black Hills Energy (“Black Hills” or the “Company”) is sent to you for filing in compliance with the requirements of the Public Utilities Law and the applicable rules of the Public Utilities Commission of the State of Colorado (“Commission”), including Rule 1210, 4 *Colorado Code of Regulations* 723-1. The following tariff sheet is attached:

**COLORADO P.U.C. NO. 11**

<b>Colorado P.U.C Sheet Number</b>	<b>Title of Sheet</b>	<b>Cancels Colorado P.U.C Sheet Number</b>
Second Revised Sheet 61	Energy Cost Adjustment	First Revised Sheet 61
Second Revised Sheet No. 113	Extraordinary Gas Cost Recovery Rider (“EGCRR”)	First Revised Sheet No. 113

In proceeding 22AL-0155E, the Commission approved Black Hills Extraordinary Gas Cost Recover Rider (“EGCRR”) which was designed to recover \$22,079,045 for costs incurred to provide electric service during the Storm Uri event. This rate was to be effective for two years. The purpose of this filing is to cancel the EGRR on the two-year anniversary of the rate becoming effective. The proposed effective date is April 10, 2024.

The current EGCRR rate is \$0.00579 per kWh and is charged to all customers who are subject to the Energy Cost Adjustment (“ECA”). The associate bill impact with this change is a reduction to the average Residential Bill of \$3.47 per month which is a 3.07 percent reduction. The average bill reduction for the Small Commercial customer will be \$13.32 per month or a 3.58 percent reduction.

Any over or under recovery of the EGCRR will transfer to the ECA consistent with the terms of the settlement approved by the Commission in Proceeding 21A-0197E. Please send copies of all notices, pleadings, correspondence, and other documents regarding this filing to the following:
